

SAINT NICHOLAS ANIMAL RESCUE (SNAR)

Non-profit Organization

Saint Nicholas Animal Rescue (SNAR) is a non-profit organization started by three individuals with great love for animals.

Our mission and objectives are:

- To provide food & shelter for the stray animals in Dominica.
- To provide population and disease control for wild and domestic animals.
- To provide education to various schools regarding animal care and safety.
- To provide island wide spay and neutering of stray animals.
- To provide permanent loving homes for dogs/cats through adoption program.

We are asking for donations to spay and neuter all stray cats and dogs in our country Dominica. Spaying/ neutering is the **ONLY** humane method of controlling population, disease, suffering and animal cruelty.

We need your help and we are hoping you can find it in your heart to help us make Dominica the first Caribbean country to end animal suffering and cruelty.
